

ERASMUS 2026

01/03 – 06/03

By Chiara Lo Conte and Alessia Pecora

01/03

We arrived in Koprivnica and left our belongings at the hostel we stayed at. Then, we explored the city and went to the school. Our boys played football with other Croatian guys.

02/03

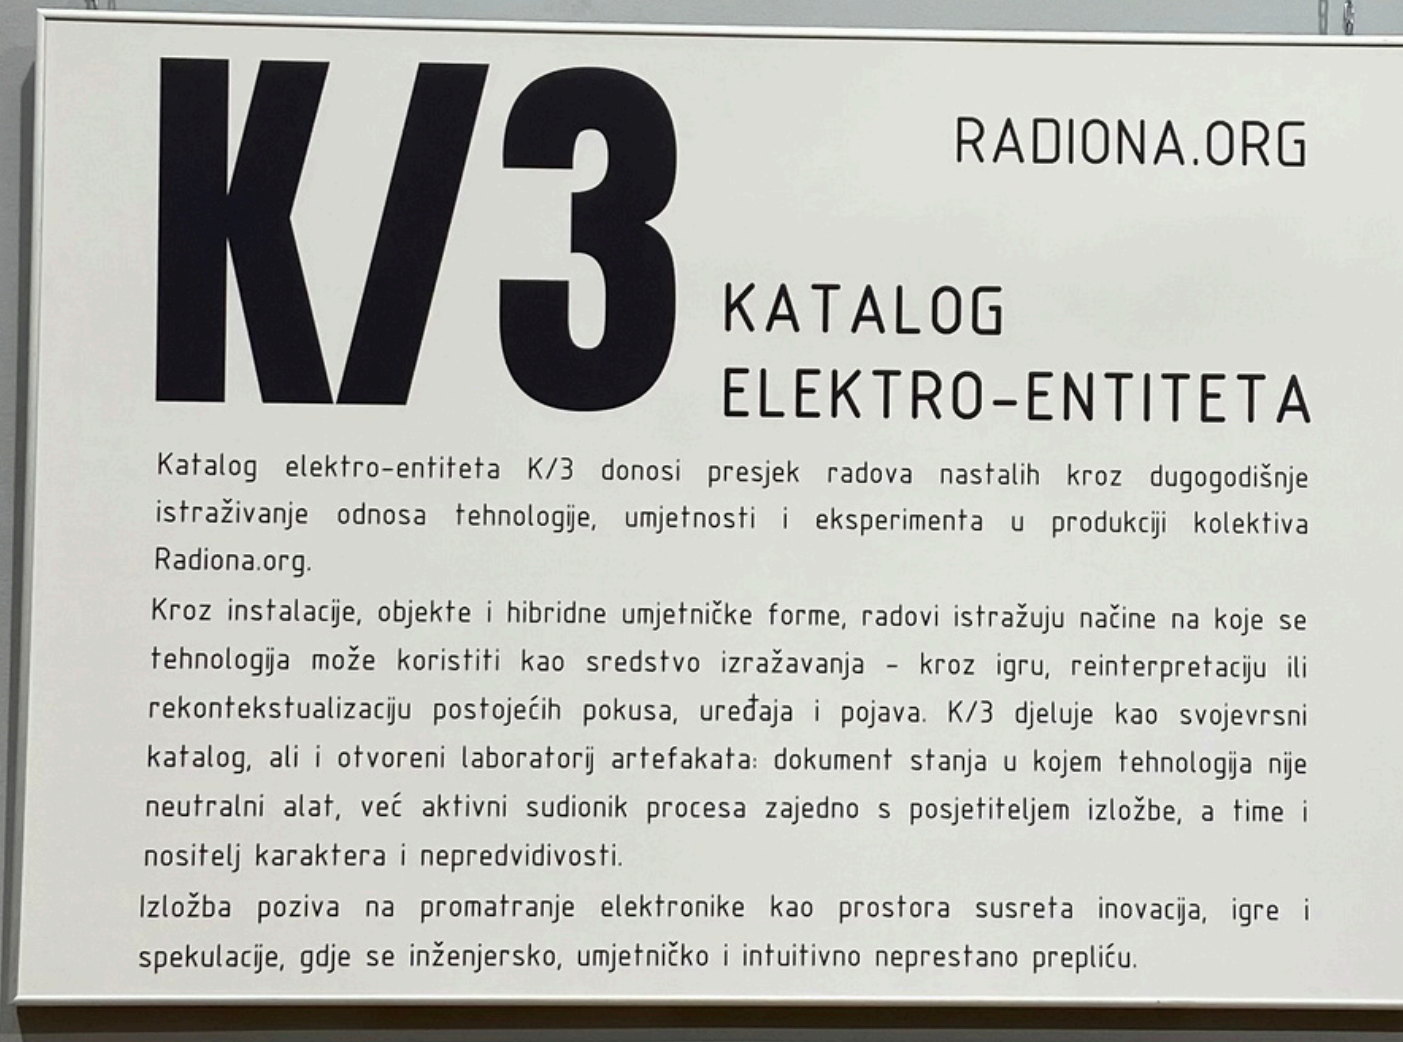

We went to school and did different workshops, meeting with our Croatian friends and their teachers. After we were done with our activities, we had some free time: we went to DM and bought food for dinner, which we prepared and ate all together at the hostel

03/03

We visited the Koprivnica Gallery and Library before moving to the City Hall for a presentation. We went to the cinema and bought a flower, which we brought to Italy as well. We spent some more free time and then ate pizza in a nearby pizzeria.

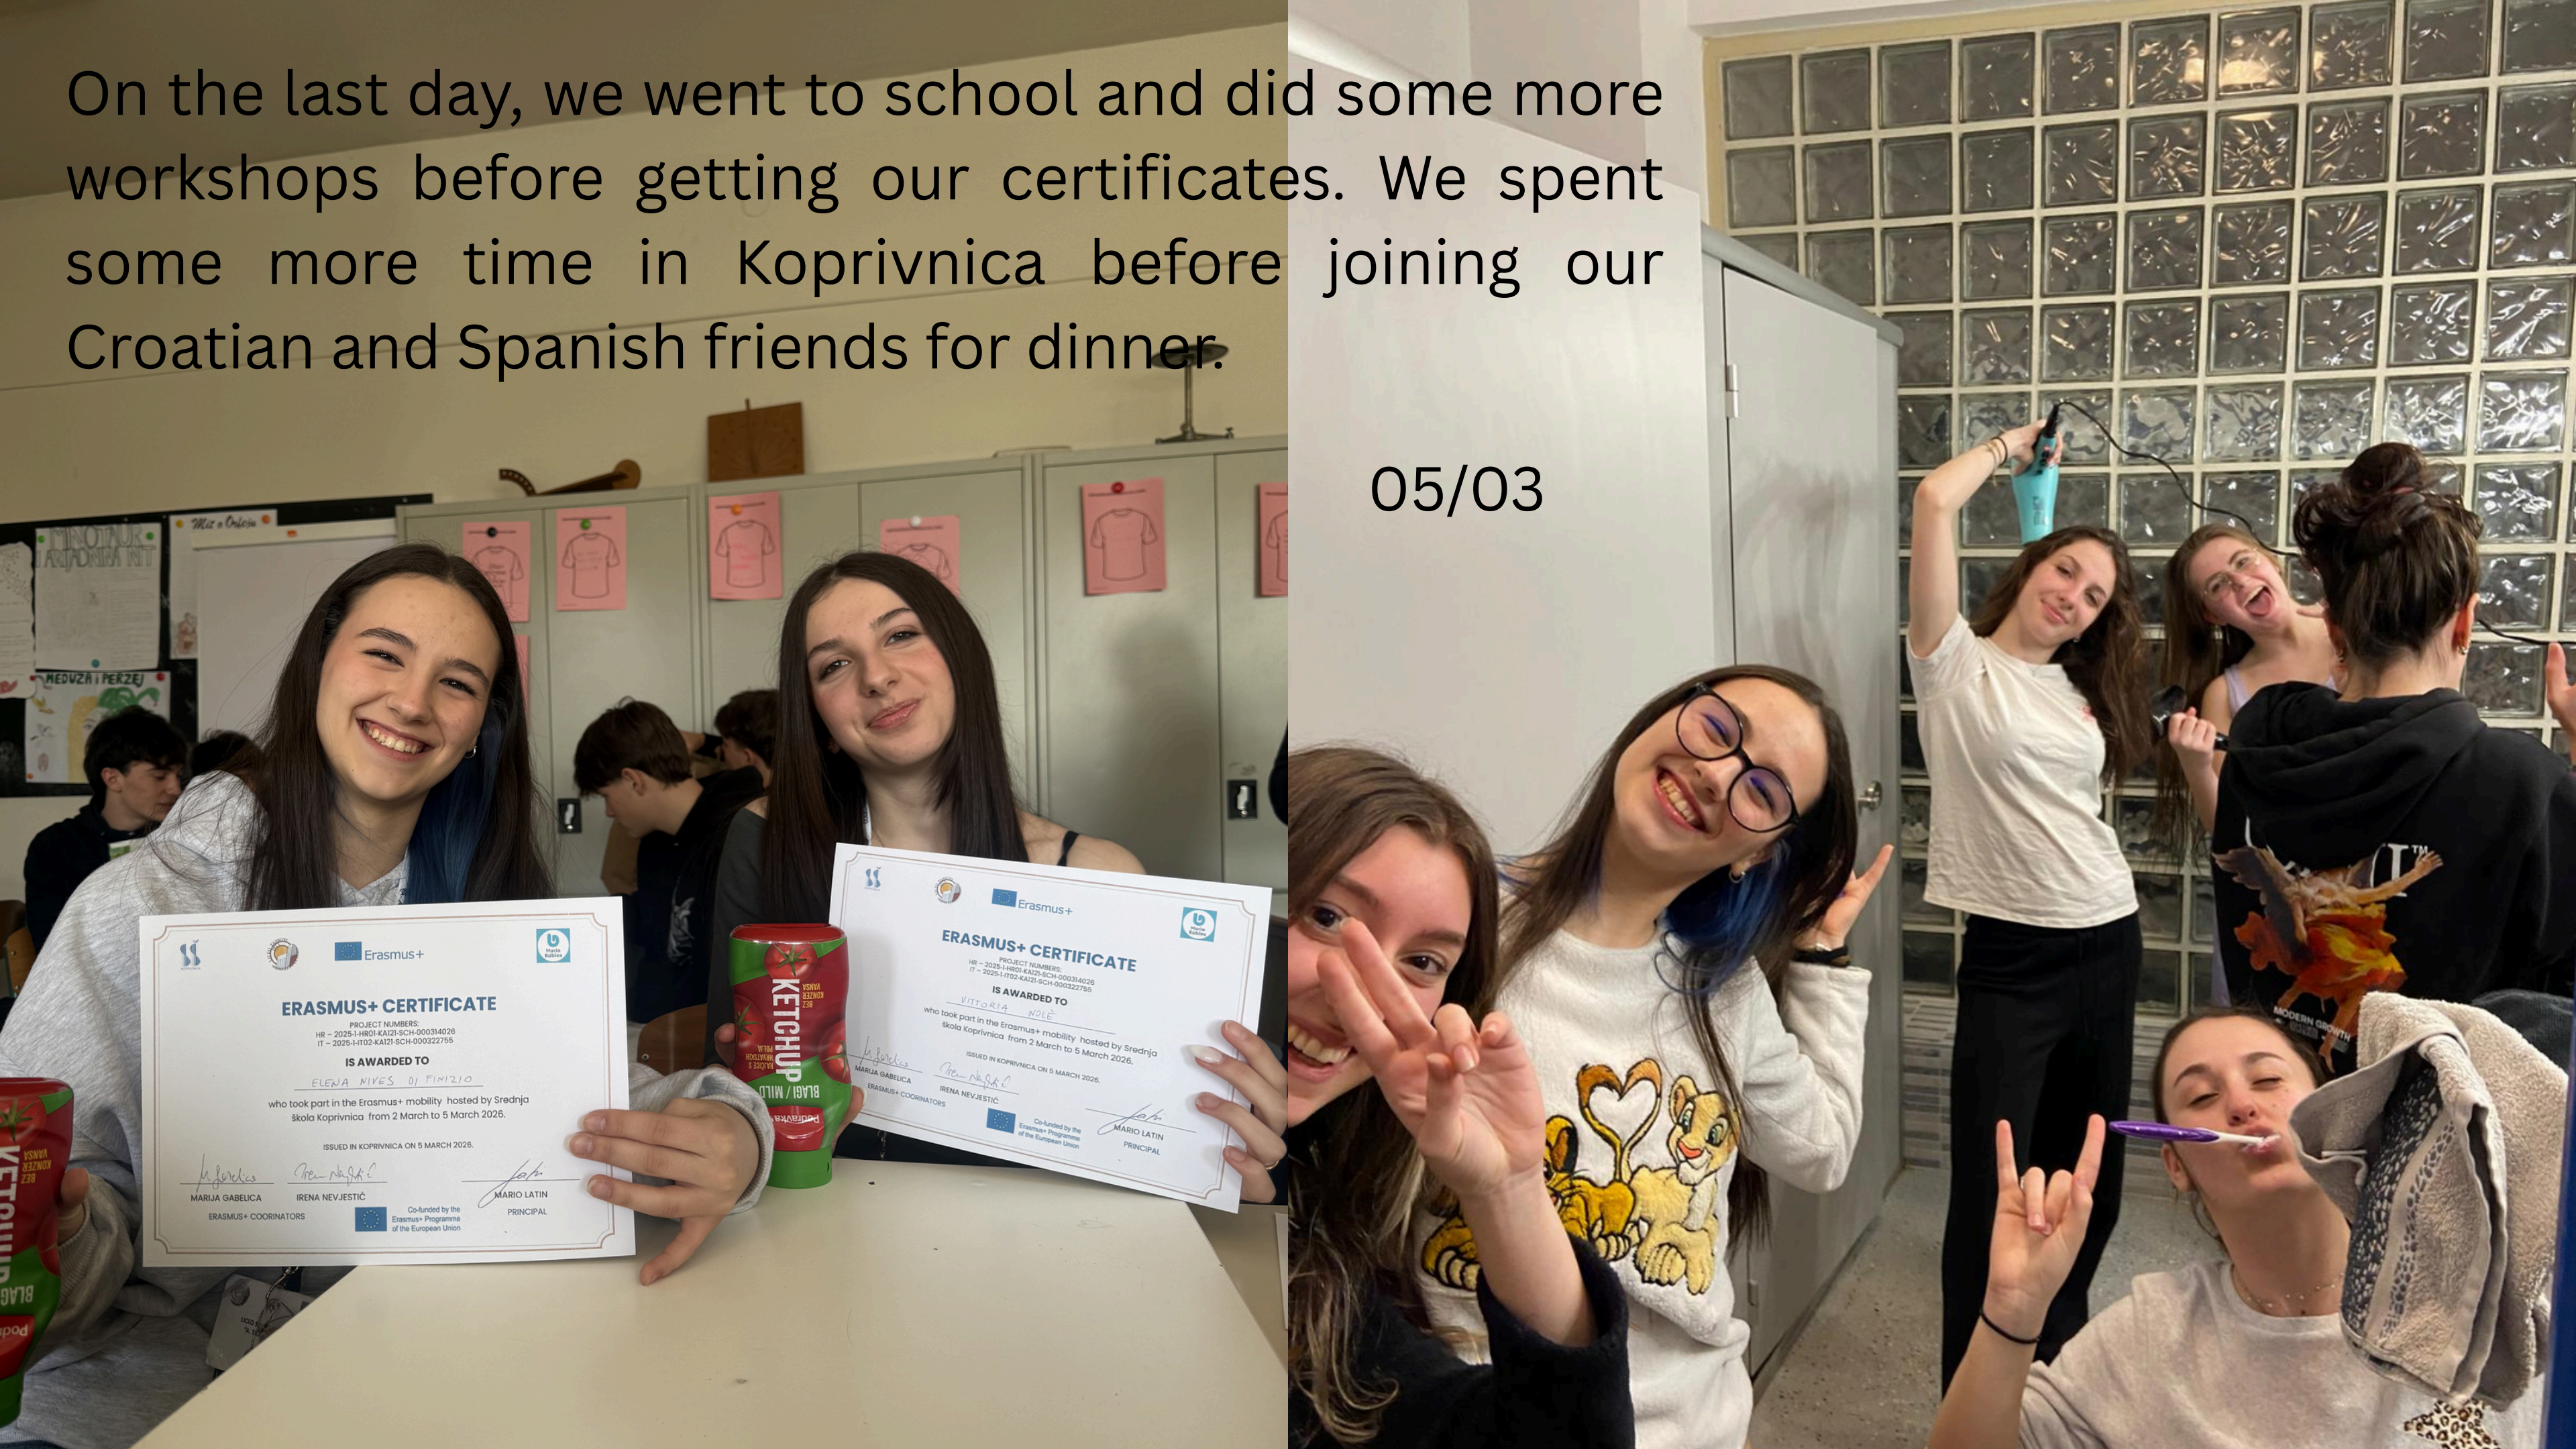

04/03

We went to Zagreb and visited the Europe Direct and the HRT (Croatian TV). On the way back to Koprivnica we stopped at the shopping centre.

On the last day, we went to school and did some more workshops before getting our certificates. We spent some more time in Koprivnica before joining our Croatian and Spanish friends for dinner.
